FACIALSPA - by Green People

GREENPEOPLE have created an award winning range of pure and natural beauty products using key ingredients including Organic Cranberry, Pomegranate and Rosehip. These work together to combat the signs of ageing together with natural anti-wrinkle solutions and powerful anti-oxidants. These highly effective Organic products rejuvenate, relax and pamper both body and mind. In common with all of the products used at **COTTAGEBEAUTY** they do not include any synthetic ingredients; mineral oils, parabens, sulphates, artificial aromas or colours, all of which have increasingly been shown to adversely affect the long term health of the skin.
